Dear Mr. Barry:

In your letter of April 9, 1958 you ask whether the local school districts are required to pay a pro rata share of OASI administrative costs with respect to retroactive coverage from January 1, 1957 to June 30, 1957.

Since the payment of administrative costs is based upon wage contributions required to be made to the contribution fund (RSA 101:7, Laws 1955, 92:2) and since no payment was required of political subdivisions with reference to retroactive coverage (RSA 101:18 as inserted by Laws 1957, 48:7) we advise that the school districts may not be billed for a pro rata share of administrative costs with respect to the period of retroactive coverage.

Very truly yours,

ETB/m
